## FACULTY

#### Clair Callan, MD, MBA, CPE

Prior to establishing Callan Consulting, Dr. Callan was the Senior Vice President for Professional Standards (acting) for the AMA and, simultaneously, the AMA Vice President of Science, Quality and Public Health. She has also served as the Vice President for Medical and Regulatory Affairs for Abbott Laboratories, and has had experience with managerial roles in State government. Dr. Callan is also active in various medical organizations, and has served as President of the American Medical Women's Association and the Illinois State Medical Society. She is a nationally known speaker on a variety of topics, including leadership and quality of care.

#### Susan Reynolds, MD, PhD, Program Director

Dr. Susan Reynolds is an executive coach and leadership development expert specializing in physician leadership. She is the President and CEO of The Institute for Medical Leadership, which provides leadership training and executive coaching to health care executives and physician leaders across the United States. She is a former emergency physician, CEO of an emergency medical center, White House advisor and executive search consultant, who created a Physician Leadership Training Institute for the American Medical Association as well as the highly acclaimed Chief of Staff Boot Camp programs.

#### Peter Rich, Esq.

Mr. Peter Rich is a partner in the national law firm of McDermott Will & Emery, LLP, based in the Los Angeles office. He is a member of the firm's Health Department and co-chairs its national Managed Care Affinity Group. He provides legal services to the nation's leading health care companies, including large hospital systems and hospital boards. He has lectured nationally on timely health care legal issues, and he has also authored numerous book chapters and articles and has been recognized as one of the leading health care lawyers in the United States, most recently in "The Best Lawyers in America (2009)".

#### Irwin Hurn, MBA

Mr. Irwin Hurn is an Executive Partner in Tatum, LLC, the nation's largest executive services and consulting firm. He provides strategic, operating, and finance leadership for intense turnarounds in hospitals, healthcare systems, biotech and life sciences, to U.S. and international companies. Rapidly integrating as CEO, COO, or CFO, his background in medical research and expert communication to board members, physicians, executives, and highly diverse staff drives critical organizational transformation for dramatic improvement in profitability and clinical quality. He has published numerous scientific papers in prominent medical journals.
